quarantine and testing facilities for imported livestock, birds and vaccines and gives priority to the development of environmentally safe and effective pesticides.

Poor performance of NGOs in AIDS control

*240. DR. M.A.M. RAMASWAMY: Will the Minister of HEALTH AND FAMILY WELFARE be pleased to state:

(a) whether a number of Non-Governmental Organisations (NGOs) which have been active in HIV/AIDS prevention programme have been sacked by Government after their non-performance or poor performances;

(b) if so, the details of such NGOs State-wise; and

(c) the details of NGOs which have been active in the field of HIV/AIDS prevention programme of the National AIDS Control Organisation (NACO) since its inception and have now been sacked on the basis of their poor performance or non-performance?

THE MINISTER OF HEALTH AND FAMILY WELFARE (DR. ANBUMANI RAMDOSS): (a) to (c) Under the National AIDS Control Programme phase-III, the strategy was based on a sharp focus of Targeted Interventions (TIs) only among High Risk Groups (HRGs) *viz.* Female Sex Workers (FSWs), Injecting Drug Users (IDUs), Men who have Sex with Men (MSM), Migrants and Truckers to saturate HRGs coverage. Based on this strategy, of the 1220 TIs being implemented by NGOs, 262 TIs which were not focusing on HRGs (e.g. slum dwellers, street children etc.) were discontinued based on NACO's detailed Operational Guidelines, Subsequently an independent evaluation of the remaining 958 non-governmental organizations implementing Targeted Interventions among HRGs was conducted between April to June 2007. Of these 176 TIs were found to be unsatisfactory based on the criteria used for the evaluation. Funding to these organizations has been discontinued. The state wise list of the NGOs which were discontinued after evaluation is given at Statement-I (*See* below).

The functioning of 122 community care centres were also assessed and 48 were found to be unsatisfactory. These NGOs did not have adequate infrastructure and trained manpower as per requirements. The state wise list of the NGOs implementing community care centres is given at Statement-II.

WRITTEN ANSWERS TO UNSTARRED QUESTIONS

Government's efforts to help small farmers

1552. SHRI MAHENDRA MOHAN: Will the Minister of AGRICULTURE be pleased to state:

(a) what concerted efforts have been made by Government to improve the productivity, profitability and sustainability of the small farmers;

(b) the efforts have been made to give farmers access to water and irrigation during the last three years;

(c) the contribution agriculture has got in terms of total GDP; and

(d) how much agriculture growth has been visualised in Eleventh Five Year Plan?

THE MINISTER OF STATE IN THE MINISTRY OF AGRICULTURE (SHRI KANTILAL BHURIA): (a) Department of Agriculture & Cooperation is implementing a number of Centrally Sponsored Schemes for increasing the production, productivity, profiability and sustainability in the agriculture sector for the benefit of the farming comunity, including small farmers. A list of Centrally Sponsored Schemes being implemented by the Department of Agriculture and Cooperation and the Department-wise Plan outlay of the Ministry of Agriculture for the last three years, is given at Statement-I (*See* below). In addition, Government has recently launched the Scheme of Rashtriya Krishi Vikas Yojana with an aim to incentivise States to increase public investment in agriculture and allied sectors; to provide flexibility and autonomy to States in the process of planning and executing programmes in agriculture and allied sectors schemes and to maximize returns to the farmers in agriculture and allied sectors.

(b) Water being a State Subject, water resources projects are conceived, planned and implemented by the respective State Governments as per their own priority. However, Government of India provides Central Assistance to the State Governments through various schemes/programmes including Accelerated Irrigation Benefits Programme (AIBP), Command Area Development and Water Management (CAD & WM) component of Bharat Nirman. Further, assistance to State Governments for irrigation is also envisaged under the
